4th October 2024

Dear Parents,

We are writing to you jointly about the collection / drop off of your child/children between Blue Sky Day Nursery and Market Weighton Infant School. There has been a substantial increase in the number of children using Blue Sky and so it is necessary to put a more robust system in place.

As a few of you may be aware, there has been a few teething problems with the new systems put in place in regards to collecting your children from school.

In order to ensure that the Blue Sky Out of School Club is able to run as effectively as possible, both parties have come together to agree best practice going forward. This will enable both the school and the nursery to remain compliant with safeguarding legislation.

From Monday 7th October 2024, all children registered with Blue Sky will have Blue Sky added as a transportation method and as a Guardian on the school's Arbor system. This will cover the school's safeguarding policy and hopefully allow a smooth transition at the end of the day from school to Blue Sky without the need for the school to call parents to check or for Blue Sky to call the school with any ad hoc changes to bookings. This will mean that the list that Blue Sky have at 3.30pm will be the list used for the collection of children.

If you do not wish your child to have Blue Sky added as a guardian or transportation method with permission to collect your child then please let the school know via email no later than Monday, 7th October 2024 at 9.00am (mwis@eastriding.gov.uk).

Please book your sessions with Blue Sky as usual and as early as possible to help us meet your needs.

If you have any questions about the above then please do not hesitate to contact us.

Kind regards,

Kirstie Woods

Supervisor Out of School club
Blue Sly Day Nursery (Market Weighton)
