2024 Winter Holiday Activity Programme

EAST RIDING OF YORKSHIRE COUNCIL

SEND East Riding LOCAL OFFER

Department for Education

Welcome to the Holiday Activities and Food (HAF) programme

There's lots of funded activities available for children and young people aged 5-16 years who attend an East Riding school in the Christmas holidays. Why not burn off some energy on our sports, dance, and football camps, or relax at our farm and craft experiences? You could also learn a new skill by taking part in outdoor adventure, cooking or storytelling workshops. Plus, there's also bouldering, inflatables and a Christmas disco for pupils with SEND.

All HAF sessions are available for children and young people in receipt of benefits related free school meals who attend an East Riding school, and we also have a small number of places on all programmes for pupils with an Education, Health and Care Plan. Your child can attend up to 4 sessions for free during the Christmas holidays with a meal provided at each event.

This year, all activities are located in one place so sign up to **eryc.link/HAFChristmas** and book your places.

Be a part of HAF and enjoy making memories

If your child doesn't qualify for a free place, some of our providers offer payable options in the holidays too. Also check out the website below to see what's happening in your area.

All About HAF

How do I know if my child is eligible for free HAF activities?

Give us a call on **(01482) 394799**. All you'll need is your National Insurance number or registered asylum seekers number, and we will be able to check to see if your child is eligible for benefits related free school meals and able to attend sessions during the holidays.

My children are in Foundation, Year 1 and Year 2 and receive free school meals, can they book onto HAF?

Although all pupils receive universal free meals in foundation and primary education, HAF is only for those families in receipt of various benefits, including universal credit (with an income no more than £7,400) income support, etc. HAF is funded by the Department for Education who recognises that there are greater pressures for those families during the school holidays.

Do I have to book all 4 sessions with the same provider?

No, your child may wish to attend the same provision (it might be close to where you live or they may enjoy a particular activity), but you can choose from all our programmes.

My child has special educational needs and disabilities (SEND), can they attend HAF sessions?

Please book your sessions online and ring the provider to see how they can support your child. If you feel a 1:1 is required, please email at **haf@eastriding.gov.uk**. A team will consider your application form in the order they are received until Wednesday, 4 December 2024. All applications submitted after this period may not be processed in time before the start of the Christmas holidays. Please note that if you currently do not have a package of support by direct payments in place or the HAF delivery provider does not have additional support staff available, sourcing a support worker may take some time over this holiday period and is not guaranteed, but we will do our best to help where we can.

Barnardo's Bumble B's clubs are not a HAF provider but will be running in the school holiday so check out their webpage at **dsi.barnardos.org.uk/bumble-bs** and search for activities on the Local Offer website too at **eastridinglocaloffer.org.uk**

Will my child receive a free meal at each session?

Yes, all providers strive to offer a hot meal, but cold options may be available instead. Please speak to the provider about meal choices and inform of any allergies or intolerances.

How do I get to the session if I don't have a car?

Local bus companies are offering single bus journeys for a maximum cost of £2 until 31 December 2024. Visit gov.uk/guidance/2-bus-fare-cap#yorkshire-and-the-humber for more information.

What will my children need to bring with them?

Please bring a drink, a coat and wear suitable shoes. Your provider will tell you if there is anything specific they need to bring.

What happens if my child is sick on the day or we are unable to attend?

Contact the provider ASAP to let them know your child is unable to attend. Please note that if you continue to miss sessions, providers have to right to cancel future bookings. We want as many children to enjoy HAF as possible and some providers have waiting lists.

Please contact the HAF providers if you have a query about their programme or for any other questions, please email the HAF team at haf@eastriding.gov.uk

It's Useful to Know

FREE SCHOOL MEAL VOUCHERS

East Riding of Yorkshire Council will continue to support pupils living in the East Riding who are eligible for Free School Meals during the Christmas holidays. If your child attends an East Riding school, then your school will arrange Free School Meal vouchers for you.

If you live in the East Riding but your child attends a school outside of the East Riding and is eligible for free school meals please contact @ **schoolorganisation@eastriding.gov.uk** to claim your vouchers.

CHILDCARE VOUCHERS

You can claim back 85 per cent of childcare costs if eligible for universal credit. To find out more visit **gov.uk/universal-credit/how-to-claim**. Vouchers are available to those on low income, out of work or if you are unable to work and have £16,000 or less in savings.

ACTIVITIES ACROSS THE EAST RIDING

To see a range of activities that are happening across the East Riding please visit **eastridingculture.co.uk/whats-on**, here you'll see a mixture of free and payable activities or visit the families information service directory **fishwebsearch.eastriding.gov.uk/fishwebsearch** for childcare information and to see what's happening at your local children's centre.

FOOD SWAP IDEAS

Visit the below website to help you make simple food swaps when you are shopping, cooking, and snacking to help your family eat well whilst making your shopping budget go a little further **mylivingwell.co.uk/eating-well/swap-well-to-eat-well** or how about exploring a range of fun indoor activities to keep the children active over the holidays at **nhs.uk/healthier-families** the new home of Change4Life.
