Dear Parents and Carers

Wrap-A-Round Care

We wanted to update you as to where we are with our plans to offer wrap-a-round care to pupils from Foundation Stage 2 to Year 2 (Classes 2-10).

After receiving the views of current parents and carers, we believe that there is enough need for us to offer provision for before and after school care and would like to offer this service on a trial basis for the rest of the academic year with a review prior to the start of September 2025. Our aim will be to provide children with a chilled-out space to relax before and after school and will be run by our own staff who know the children well. We plan to begin this in phases over the course of the spring term as follows:

Phase 1: Before school care will begin on Monday 3rd February.
The Before School Club will open at 7.45am, at a cost of £5.00. Breakfast will be offered for those children arriving before 8.20am. Breakfast will consist of toast, cereal, muffins/crumpets and will vary across the week.

Phase 2: After school care will begin on Monday 3rd March.
The After School Club will open from 3.30pm until 5.30pm (except Fridays) at a cost of £5.00 per hour. A snack will be offered to children who stay beyond 4.30pm. This will be a snack and not an alternative to an evening meal.

Both wrap-a-round care options will be bookable on the app from Friday 3rd January and will be subject to terms and conditions (which will be available on the school website). There is a limit of 30 spaces and will be allocated on a first come, first served basis. The School Office will be open on Monday 6th January for any queries.

We are pleased to be able to offer this service to our community and look forward to working with you.

Yours sincerely,

Claire Powell
