

ATTENDANCE POLICY

Market Weighton Infant School is committed to providing a full and efficient education to all pupils and embraces the concept of equal opportunities for all. We will endeavour to provide an environment where all pupils feel valued and welcome. For a child to develop their full educational achievement a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all. Every opportunity will be used to convey to pupils and parents/carers the importance of regular and punctual attendance.

School attendance is subject to various education laws and this policy is written to reflect these laws and the guidance produced by the Department for Education (see Appendix 1).

Each year the school will examine its attendance figures and set attendance targets. This will reflect both national and local authority attendance targets.

The school will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

This policy will contain within it the procedures that the school will use to meet its attendance targets.

SCHOOL PROCEDURES

Any child who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorised, unauthorised or as an approved educational activity (Appendix 2). Only the headteacher or a member of staff acting on their behalf can authorise absence. If there is no known reason for the absence at registration, then the absence must be recorded in the first instance as unauthorised.

Lateness

Morning registration will take place at the start of school. The registers will remain open for 30 minutes. Any pupil arriving after this time will be marked as having an unauthorised absence unless there is an acceptable explanation i.e. school transport was delayed. In cases for example where the absence at registration was for attending an early morning medical appointment, the appropriate authorised absence code will be entered. The afternoon registration will be at 1pm for Foundation Stage and 1.15pm for Key Stage One (Years 1 and 2). The register will remain open for 30 minutes.

Pupils arriving after the start of school but before the end of the registration period will be treated for statistical purposes, as present, but will be coded as late before registers close.

Absence Notification

Parents are requested to ring the school on their child's first day of absence. If not, office staff make telephone contact after the registers close to establish the reason for absence. If we have had no parental contact after 3 days, a letter is sent home asking parents to contact the school. If there is still no contact, then a further letter is sent out. Any pupil who is absent without an explanation for 10 consecutive days will be notified to the Local Authority, by submitting a referral to the Attendance Team. The school will include details of the action that they have taken.

Frequent Absence

It is the responsibility of staff to be aware of and bring attention to, any emerging attendance concerns. Attendance will be monitored half-termly by office staff. In cases where a pupil begins to develop a pattern of absences, is absent for more than 7 days without explanation or is below our attendance target, the school will try to resolve the problem with the parent/s. If this is unsuccessful, the school will refer to the school nurse if the problem appears to be a medical one. In other cases, the school will seek advice from our Education Welfare Officer and follow the protocol recommended by the Local Authority:

- a. Letter to parent
- b. Letter inviting parent to an action plan meeting
- c. Action Plan meeting with 4 week target set / Parental Contract
- d. Letter to parent with action plan / contract
- e. Review meeting
- f. Referral to Senior Education Officer if required

Parents will be encouraged to access the school's remote learning package if their child has to self-isolate and the child's class teacher will make regular contact with the parent.

Returning to school

It is important that on return from an absence that all pupils are made to feel welcome. This should include ensuring that the pupil is helped to catch up on missed work and brought up to date on any information that has been passed to the other pupils.

Absence notes

Notes received from parents explaining absence should be kept for the remainder of the academic year. If there are attendance concerns about the pupil, that may require further investigation, then the notes may need to be retained for a longer period.

Promoting attendance

The school will use opportunities as they arise to remind parents/carers, that it is their responsibility to ensure that their children receive their education. This includes:

- Promoting the awareness of this policy to parents through newsletters and the school website
- Information for parents on the school website and at the induction meeting
- Reference to the importance of attendance in the Home/School Agreement
- Reminders about the Term Time Holiday Policy in newsletters
- Meetings with parents to discuss reasons for absence
- The inclusion of the attendance figure on their child's Annual Report

- Termly attendance letters for parents
- Providing support for parents with strategies to get their child to school if necessary
- Providing advice about when a child should self-isolate

Holidays in term time

The [Education \(Pupil Registration\) \(England\) Regulations 2006](#) allowed headteachers to grant leave of absence for the purpose of a family holiday during term time in “special circumstances” of up to ten school days leave per year. Headteachers could also grant extended leave for more than ten school days in exceptional circumstances. However, amendments to the 2006 regulations remove references to family holiday and extended leave as well as the statutory threshold of ten school days. The amendments make clear that headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. Headteachers should determine the number of school days a child can be away from school if the leave is granted.

The school's policy entitled “Absence from School for Exceptional Circumstances” can be obtained from the school office or from the school website. If parents wish to apply for a leave of absence due to exceptional circumstances, they should ask at the office for a form. Please be aware that family holidays during term time will not be authorised which could lead to a penalty notice being issued from the local authority following 10 sessions absence ie. 5 days (1 session = a half day).

Health & Well-Being

Children have regular reminders to wash their hands to avoid the spread of disease and any health advice is followed. Children who are ill are encouraged to stay at home to prevent the illness spreading to others.

Behaviour and Anti-Bullying Policy

This policy is in place to promote positive behaviour in school. If a pupil's absence is due to a behavioural or bullying issue, the strategies in the policy will be put in place to support the child and family in an attempt to improve attendance.

Attendance Targets

The school will set attendance targets each year. Office staff have a system in place for analysing performance towards the targets and the headteacher will be responsible for overseeing this work.

Punctuality

The school prospectus states clearly the time at which each school session begins and finishes. Pupils who have patterns of regular lateness are monitored by office staff and this is recorded on the school's attendance system, overseen by the headteacher. Where lateness becomes an issue, the matter will be discussed with the parents and this will be monitored and a chronology record kept on CPOMS (online system). Support will be put in place with parental agreement if necessary eg. stickers for good punctuality. If a pupil continues to arrive late for school on a regular basis after the register has closed, there may be grounds for a prosecution of the parents. Such circumstances will be referred to the school's Education Welfare Officer.

If a pupil arrives late and the register is still open, they should be marked as 'late' but counted as present for that session. If a pupil arrives after the register has closed and provides a satisfactory explanation, they should be marked as 'authorised absence' for that session. If a pupil arrives after the register has closed and fails to provide a satisfactory explanation, they should be marked U with the meaning of unauthorised absence.

If a pupil arrives late having missed registration, parents should sign their child into school in the book at the office. This is for the purpose of emergency evacuation.

Our school's target is: 96%

Attendance figures are reported termly to the governors in the Headteachers' Report.

The registration system

The school uses a computerised system called Arbor to keep school attendance records. The national codes used to record attendance information can be found in Appendix A (see Appendix A document).

Registers by law must be kept for at least 3 years.
Electronic back-ups can be made. These also need preserving for at least three years.

Procedures for late collection of pupils

If a child is collected late on a regular basis, a meeting with the parent/carer will be arranged to find out the reason and what the school can do to help. If the issue is long-term or significant, the school may seek support from local children and family services.

If a child remains uncollected at the end of the school day, the school will contact the parent/carer in the first instance and then the emergency contacts on the child's admissions form. If the issue is significant, the school will seek support from local children and family services.
