**Reminders.....**

- Some PE lessons will take place outside during the summer months. Children need to come to school in their PE kit, trainers, sun-hat and sun-cream on their PE day.
- Please ensure all clothing is marked with your child's full name.
- Please remind your child to walk with their scooter or bike whilst on the school grounds.

*Thank you*

## Traffic and Parking

The warmer weather and lighter nights make it a perfect time of year to use the "Park & Stride" facility at Tesco. This really helps with the congestion at drop off and pick up times. Please be aware that the School Streets scheme is being closely monitored by the police over the next few weeks, so do not attempt to drive down Princess Road at drop off and collection times without a permit. Thank you.

## Summer Sun

On sunny days, please provide your child with a sun hat- either from home or a school baseball cap on SALE for £4 from the school office. A legionnaire type to protect the neck is recommended. **Please apply a high factor, long-lasting sun cream before school.** A sunscreen that is clearly named may be brought to school for use later in the day if required. Staff can provide support and assistance where necessary and especially with our younger children. If you do not want them to do so, please let your child's teacher know.

## Attendance Matters

School attendance for May is as follows:
