Headteacher – Mrs Sarah Kay-Wood

9th June 2025

Dear parents/carers,

Transition Mornings at Mount Pleasant C of E Junior School

Further to my recent letter about transition activities, I would now like to give you more detailed information about transition mornings.

Monday 30th June and Tuesday 1st July 2025
All children need to be brought to our school as normal and will be registered in their classes. Children should wear their MWIS school uniform (no PE kits please).

After registration the Year 2 teachers will take the children to Mount Pleasant C of E Junior School (MPJS) school where they will be greeted by their new teachers. The children will have an opportunity to settle into their new classes and to complete a variety of activities.

They will experience morning play-time at their new school and there will be an opportunity for them to buy a snack from the Tuck Shop if they wish. The Tuck Shop sells fruit, cereal bars and juice drinks and your child will need to bring 50p to £1 maximum. Alternatively, they could bring their own healthy snack.

The Year 2 teachers will collect the children at the end of the morning and bring them back to our school for lunch. There will be opportunities in the afternoon for the children to discuss their experiences and ask any questions they may have.

Children should bring their home reading books to school on Tuesday please.

Wednesday 2nd July 2025
Children need to be taken by parents to the Lower Key Stage 2 yard at MPJS for 8.50am.

They will be greeted by the Year 2 staff and will line up with their current Year 2 class. We will register the children and then they will be greeted by their Year 3 teachers. Children should wear their MWIS uniform (no PE kits please).

If your child arrives by school bus on Wednesdays, our staff will collect them from their bus as normal and take them to MPJS.

The children will experience a full morning at their new school and the Tuck Shop will be available again (as explained above) for them to buy a snack if they would like to.

Children will also stay at MPJS for lunch on this day. As you may already know, universal free school meals only apply to infant school children and therefore Mr Nixon has kindly agreed to provide a free school meal for each Year 2 child on this day.

In order for the kitchen staff to pre-order the correct quantities of food, your child will need to choose their lunch option in advance. Please follow this link – **Y2 MPJS Lunch Form** **–** to complete the form on or before **Monday 16th June 2025**.

If your child chooses to stay packed lunch, please note that MPJS is a nut free school, just like ourselves.

Thank you again for supporting your child through this transition period. If you have any queries please do not hesitate to speak to myself or your child's class teacher.

Yours sincerely,

Mrs Helen Cowan
Year 2 Leader
