Dear Parents,

To help keep Blue Sky Out of School Club running as effectively as it has for the last 20 years, we have previously attended a meeting with the infant school to agree practises going forward that can best meet the needs of the children and you whilst keeping Blue Sky and the Infant School compliant with safeguarding legislation.

From Monday 15th September, all children registered with Blue Sky will have Blue Sky added as 'a guardian' on the school's system. This will cover the school's safeguarding policy and will allow smooth transitions from School to Blue Sky without the need for the school to call parents to check who is collecting their child or for Blue Sky to call the school with any ad hoc changes to bookings.

If you do not wish your child to have Blue Sky added as a guardian with permission to collect them, please let the school know via email no later than Monday 15th September.

Please continue to book your sessions with Blue Sky as usual and as early as possible to help us meet your needs.

Thank you for your continued support. If you have any questions, please do not hesitate to ask.

Yours Sincerely
