14th November 2025

Dear Parents and Carers,

Nursery Christmas Craft Event

The festive season is fast approaching, and we would love to celebrate with you! We are delighted to invite you to our **Christmas Craft Afternoon** on **Friday 12th December 2025 at 1.30 pm in the school hall. We will also be holding a repeat Christmas Craft Morning on Monday 15th December 2025 at 9.30 am in the school hall.**

During this special event, you'll have the opportunity to join your child in making some fun and festive crafts to take home — from sparkly decorations to Christmas wreaths and more! It's a lovely way to share in the excitement of the season and spend some creative time together.

We kindly ask that you RSVP by 1st December so we can ensure we have enough materials for everyone. You can confirm your attendance via the Arbour App. We ask that you only attend one of the sessions with your child. Any children who do not have an adult present will be supported by a member of staff and will not miss out on the Christmas fun.

The MWIS Fundraising committee have kindly organised a raffle with tea, coffee and mince pies for the adults to enjoy.

We look forward to seeing you and sharing some Christmas cheer!

Thank you for your support.

Mrs Randle and the Nursery Team
