24th November 2025

Year 2 Visit to Market Weighton Library

We are very excited to tell you that we will be taking the Year 2 children to visit the Market Weighton library. This library visit aims to help to encourage the children to love reading and provide an opportunity for them to learn about what the library can offer.

Your child will walk to the library on Friday 28th November 2025, during the afternoon and will be back in school before home time. Please make sure that your child is wearing a warm, waterproof coat and suitable footwear for waking to the library and back. You will be aware that this is the same date as the *Step into Christmas* event at school. Your child will not miss out on any activities and are still able to dress up, but we would appreciate it if they were not wearing Christmas pyjamas.

Consent for this visit is already included within the *Visits into Market Weighton* consent on Arbor. If you have any questions about this consent please speak to your child's class teacher.

Your child will be able to borrow a book when we visit. If they already have a library card please send it into school with your child on Friday 28th November 2025. If they do not have their own card, they will be able to borrow a book on the school's library card and will need to return the book to school after reading it.

We are really looking forward to our visit to the library as we love reading and we are pleased to be able to give children an extra opportunity to enjoy the pleasure of sharing a story with their family.

Thank you for your continued support.

Mrs Cowan
Year 2 Leader
