

Hello Boys and Girls

We hope you are all well. The weather is starting to change, and it looks like Summer is ending and Autumn is about to begin.

Here are the activities for the week. We have split them into different areas of learning. However, they can be done in any order that you like.

First, here is a story called The Very Noisy Night

<https://www.youtube.com/watch?v=7gl-9dkXRNE>

And here is a nice autumn song all about a scarecrow. Can you copy the scarecrow's moves?

<https://www.youtube.com/watch?v=geFvOfBQNbE>

Physical Development	Now it is time to wake up our muscles. Can you join in with the Tumble tots and get your muscles moving? https://www.youtube.com/watch?v=tHU4Z2ztQns
Literacy	We would like you to go outside and have a look and see if you can see any signs of autumn. There are lots of lovely autumn treasures to be found now, like conkers and leaves. You might want to collect some. Draw the signs of autumn that you can see. Maybe your adult could write what you have drawn.
Maths	Practise counting to 10/20 with these songs below. Move in time to the music counting as you go along https://www.youtube.com/watch?v=7D4K9oi7oBM&vl=en Have a go at counting objects accurately. Here are some games for you to choose from throughout the week to practise your counting skills. https://www.topmarks.co.uk/learning-to-count/teddy-numbers
Understanding the World	

	This week in nursery we would have been planting some spring bulbs that will grow into lovely flowers in spring. If you have space maybe you could plant some daffodil bulbs in your garden or in a container.
Expressive Art	If you find some autumn leaves maybe you could paint them and make a lovely autumn picture.  

We hope you all stay safe and well and we look forward to seeing you back in nursery very soon!

Mrs Pocklington, Mrs Nash, Mrs Easter and Mrs Green
