Now here are the activities for the week. We have split them into different areas of learning. Remember, they can be done in any order that you like.

PSED	Do you think the cat, the dog and the mouse were good friends to the Little Red Hen? Did they help her make the bread? Why didn't the Little Red Hen share her bread with the cat, the dog and the mouse? Do you have a friend that you play with? They might be your brother or your sister. Do they help you with things? Do they make you laugh? Can you talk to your grown up about your friend and all the nice things they do? Could you draw a picture of your friend or you and your friend together? Maybe your grow up could write your names on your picture.
Physical Development	Now it's time to shrink and gets our muscles moving in the undergrowth with Andy! https://www.youtube.com/watch?v=mCFDa1PcyZU
Literacy	The characters in the story are the little red hen, the cat, the dog and the mouse. Here are some pictures of them. Could you choose one and draw a nice big picture of it?  

Maths	Hickety Pickety Hen is laying eggs for Farmer Ben. Can you count how many eggs she lays? https://www.youtube.com/watch?v=ST80DzbRBOg Here are the Shape Monsters. Can you feed them the correct shape? It might be a square, a circle, a triangle or a rectangle. www.topmarks.co.uk/early-years/shape-monsters
Understanding the World	The Little Red Hen makes some bread using flour, yeast and water. Maybe you could make some bread at home with your grown up. Here is Auntie Mable and Pippin to teach us all about bread. https://www.youtube.com/watch?v=GIW9lgAZurl Why don't your grown up to make a sandwich using bread. What will you put in the middle of the sandwich?
Expressive Art	Can you paint your hand red and make a handprint chicken?  You will need some felt tip pens to finish your hen.

We hope you all stay safe and well and we look forward to seeing you back in nursery very soon!
