

Hello Boys and Girls,

This week we are looking at pumpkins and reading the book Room on the Broom by Julia Donaldson. Here is a link to the story read by Alan Mandel:

<https://www.youtube.com/watch?v=uQulEnxsRo>

Now here are the activities for the week. We have split them into different areas of learning. Remember, they can be done in any order that you like.

PSED	The witch is very grateful to the animals for saving her from the dragon. She says thank you to them. Have a think about when you say thank you and when people say thank you to you. Talk to your grown up about when we say thank you.
Physical Development	Witches like to fly on their broomsticks. Pretend that you are a witch flying around. Move your body in different directions, moving high and low. Can you travel fast and really slow?
Literacy	In nursery we like to make silly soup using rhyming words. Hat rhymes with Cat . Can you find any more words that rhyme with Hat? Here are the alphablocks to help. https://www.youtube.com/watch?v=oAQ9rYamYGo
Maths	Can you use 2d shapes to make a pumpkin? You will need a circle for the pumpkin, two squares for the eyes, a triangle for the nose and a rectangle for the mouth. You could design your own. Here is one to show you. 

Understanding the World	People like to carve faces into pumpkins. Can you draw a scary face? Can you draw a happy face? Help a grown up carve a pumpkin face. Have a look at the seeds inside the pumpkin. What do they feel like?
Expressive Art	Listen to the music as Melody and Fudge go on an adventure with a nocturnal animal. Can you remember nocturnal animals from last week? When do they sleep? When do they play? https://www.bbc.co.uk/cbeebies/stories/melody-and-the-owl

We hope you all stay safe and well and we look forward to seeing you back in nursery very soon!

Mrs Pocklington, Mrs Nash, Mrs Easter, and Mrs Green
