

Hello Boys and Girls

We're learning about going to the shops in Nursery this week. Do you enjoy shopping?

In this story, a little boy called Oliver goes to the shops with his Mum and helps her to choose lots of different kinds of fruit. Enjoy listening to *Oliver's Fruit Salad* by Vivian French.

Now here are the activities for the week. We have split them into different areas of learning. Remember, they can be done in any order that you like.

PSED	In the story, everyone worked together to make a delicious bowl of fruit salad. What could you do to help at your house? Maybe you could help to lay the table for dinner, tidy away your toys or sweep up the leaves outside. It feels good to help other people!
Physical Development	Go outside for some exercise and practise some throwing and catching using a large ball. If you can catch a ball from close to your partner, try taking a couple of steps back.
Literacy	What would you like to buy from the shops? Write or draw your own shopping list. We like to sing Nursery Rhymes together in Class 1. You could sing your favourites. Here are some ideas: https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-30-minute-medley/zbhtjhv
Maths	Have a look around the kitchen and practise your counting. How many tins of soup or boxes of cereal are there in the cupboards? How many different types of fruit and vegetables can you find?
Understanding the World	We buy food from the supermarket in all sorts of different containers. Sort out food containers into the different materials that they are made from. Did you find any metal, paper or plastic? 

Expressive Art

Save some empty food boxes and do some junk modelling. You could make a house or a train or maybe even a monster!

We hope you all stay safe and well and we look forward to seeing you back in nursery very soon!

Mrs Pocklington, Mrs Nash, Mrs Easter, and Mrs Green
