

Hello Boys and Girls

This week we are looking at shops.

Now here are the activities for the week. We have split them into different areas of learning. Remember, they can be done in any order that you like.

PSED	There are lots of people who help us every day. Can you think of some? Who delivers the letters? Who drives a lorry to collect the bins? Have a chat with your grown up about all the people who help us.
Physical Development	Can you practise your hopping? Can you stand on one leg? Put your arms out like an aeroplane to help you balance. See how many you can do on each leg.
Literacy	We are looking at The Elves and the Shoemaker this week. The elves visit the shoe shop and help the shoemaker. Maybe you have the book at home. If not, do not worry, here is a link to story. https://www.youtube.com/watch?v=tXhnbioZs1M Why not look for shoes in your house and make a shoe shop. Can you put the shoes in pairs? You might want to write some numbers so your grown up knows how much the shoes cost.
Maths	Here are the Numberblocks to teach us all about the number 2. https://www.youtube.com/watch?v=JCUGLyVkMIM We have looked at this number in nursery. What are the things on your body that you have 2 of? Remember, when we talk about the number 2, we say "round and back on the railroad track. Two, two, two!" Can you draw it in the air? 

Understanding the World	Why not have a walk around Market Weighton and look at the different types of shops. Some might sell bread, some might sell flowers. Ask your grown up what they are called. See if you can recognise some of the logos.   
Expressive Art	Can you be like the elves in The Elves and the Shoemaker? Can you draw around your shoe on a piece of paper? Have a look at it. Now, can you give it a face? What does it need? Is it happy or sad? Does it have hair? Does it have arms and legs? It is your shoe, it's up to you!

We hope you all stay safe and well and we look forward to seeing you back in nursery very soon!
