

We have been learning about

Number 6

A hexagon has 6 sides.

Use coins to make 6p. Can you use 1ps, 2ps and 5p? How many different ways can you find? Draw them here.

Can you recognise and write number 6.

Down we go and make a loop. Number six makes a hoop.

6

We have been learning about

Number 7

A heptagon has 7 sides.

1, 2, 3, 4, 5, 6, 7

Show me 7. What does it look like? How many different ways can you draw 7?

Can you recognise and write number 7.

Across the sky and down from heaven. That's the way we make a 7.
