

Maths Home Learning

Week Commencing: 8th February 2021

These home learning lessons are specifically designed for our Year One pupils and follow what we would have been learning in school this week. There are four lessons as we would normally teach Maths four days per week with a topic day on a Wednesday for subjects such as; Art; DT; History/Geography; PSHE; R.E. and Computing.

Our pupils in Year One work at varying abilities so we have planned a programme of activities that cater for all of our pupils needs. Each day we have prepared a main activity. If your child would like a challenge they can complete this too. Alternatively, if you know that the main activity may be too tricky for your child we have added a core skills task.

Please remember to upload any work onto your child's Tapestry account.

	Monday – Lesson 1	Tuesday – Lesson 2	Thursday – Lesson 3	Friday – Lesson 4
Starter:	<i>Use the 100 grid to count to 100. Can you start counting from 39? What about counting from 67?</i>	<i>Use the 100 grid to count back from 100. Can you count back from 52? What about counting back from 44?</i>	<i>Use the 100 grid to count in 10s to 100. Now could you try counting backwards in 10s?</i>	<i>Use the 100 grid to count in 10s to 100. Now could you try counting backwards in 10s?</i>
Input:	Place Value. First, watch this Number Blocks episode: https://www.bbc.co.uk/iplayer/episode/m0005y9m/numberblocks-series-4-tens-place Then watch Miss Hardman's input: https://www.youtube.com/watch?v=yO-lggXwPZg	Cherry Models. Watch Miss Hardman's input: https://www.youtube.com/watch?v=nhDaC_6dJU	More than, less than and equal to. Watch Miss Hardman's input: https://www.youtube.com/watch?v=06XB0fr2fhY	Ordering Numbers. Using the learning from this week see if you can complete the number jigsaws.
Main Activity:	After watching the input, please complete Monday's worksheet .	After watching the input, please complete Tuesday's worksheet .	After watching the input, please complete Thursday's worksheet . A 100 grid may help you.	Complete Friday's worksheet . Remember to look at the pattern within the numbers.
Challenge:	Once you have completed the main activity, if you feel confident, try Monday's maths challenge .	Once you have completed the main activity, if you feel confident, try Tuesday's maths challenge .	Once you have completed the main activity, if you feel confident, try Thursday's maths challenge .	Once you have completed the main activity, if you feel confident, try Friday's maths challenge .

Maths Home Learning
Week Commencing: 8th February 2021

Core Skills:	Have a go at Monday's cut and stick worksheet.	Number formation. Have a go at Tuesday's core skills activity.	Have a go at Thursday's more than and less than worksheet. You are working with numbers to 20.	Please complete Friday's cut and stick ordering numbers 0-20.
