

English Home Learning
Week Commencing: 8th February 2021

These home learning lessons are specifically designed for our Year One pupils and follow what we would have been learning in school this week. There are four lessons as we would normally teach English four days per week with a topic day on a Wednesday for subjects such as; Art; DT; History/Geography; PSHE; R.E. and Computing.

Our pupils in Year One work at varying abilities so we have planned a programme of activities that cater for all of our pupils needs. Each day we have prepared a main activity. If your child would like an extra challenge they can complete this too. Alternatively, if you know that the main activity may be too tricky for your child we have sometimes added a core skills task.

Please remember to upload any work onto your child's Tapestry account.

Add the five time connectives underneath each picture; <i>First, Next, After that, Then, Finally.</i>	Practise using your time connectives and give your parents instructions on how to wash their hands.	Can you write your own set of instructions teaching Miss Leetham how to do something? We have uploaded some handwriting lines for you to use.
Core Skills:	On the moon and stars writing frame, draw your version of the black and white illustration. Can you add the word 'jam' or add a simple caption e.g. 'jam sandwich'? Remember to try and sound out the words yourself using your phonics.	Sequence four pictures. We suggest leaving out the pictures that detail cutting the sandwich in half and eating the sandwich.	Give <i>basic</i> instructions to your Mum or Dad so they can make their own jam sandwich. For example; Get 2 slices of bread. Butter the bread. Spread jam. Eat.	Using the sequencing pictures from Tuesday's lesson, write a word or caption underneath each picture.
