

Dear Class 1 Home Learners

We hope you enjoy this dough disco pack. Your pack contains one tub of playdough and the companion book 'Let's go to the Dough Disco' by Shonette & Amy.

Here are a few tips on how you could use your pack:

- Shonette demonstrates the moves from 'Let's go to the Dough Disco' in this video:

- Shonette slows things down a little for us! <https://www.youtube.com/watch?v=br890A4LLJU>
- If you would like to go to a different dough disco, Early Years Emily helps your fingers to dance with one of our favourite nursery songs, 'If you're happy and you know it':
<https://www.youtube.com/watch?v=DrBsNhwxzgc>, or you could go 'Down in the jungle':

- Finally, look in the Nursery home learning file on our school website for some playdough movement songs. (Please contact the school office for a paper copy if needed).

Don't forget that we love to see what you are doing at home, so please use Tapestry to send us photo or video observations of your dough disco.

Many thanks to the Fundraisers for providing support packs to all of our children learning at home.

Stay safe everyone and we hope to see you soon.
