

Topic Home Learning: Y1 Spring 2

Week commencing: 22nd February 2021

On a Monday, Tuesday, Thursday and Friday we suggest that you complete **one topic activity**. On a Wednesday you can choose several activities to complete if you wish.

Please remember to upload any work onto your child's Tapestry account.

This half term our topic will be 'Toys'.

<u>Science</u>	<u>Music</u>	<u>Art</u>
<i>What does a plant need to grow?</i> https://www.bbc.co.uk/bitesize/clips/zcn9j6f (An animation which explores the conditions a plant needs for growth.) Complete the 'What does a plant need to grow?' worksheet.	<i>Nursery rhymes</i> Can Mummy or Daddy teach you a nursery rhyme they used to sing when they were your age? Can you learn it and perform it? Follow this link for some examples: https://www.youtube.com/watch?v=9IUfMYeFv6E&list=RD9IUfMYeFv6E&start_radio=1 Learn these new songs about Toys set to the popular tunes of 'Frere Jacques' and 'Here we go round the mulberry bush'; 'The Big Toy Shop' 'Night-Time in the Toy Shop' We have added the lyrics to this week's resources.	Watch the story 'Mixed: A colorful story' by Arree Chung. https://www.youtube.com/watch?v=tu6edzV7uIc <i>Painting (Exploring colour mixing) – Take your pick from these fun activities below! Can you create new colours just like the characters in the story do?</i> 'Rocket lolly' 'The colour mixing caterpillar' Can you paint characters like those from the story? Add their facial features and body parts. You could create some on these worksheets – 'Finger painting colour characters'.
<u>PSHE</u>	<u>PE</u>	<u>Computing</u>
<i>Mindfulness</i> Watch Miss Hardman's lesson on Mindfulness: https://www.youtube.com/watch?v=jfnmHwBdRxY Then complete the activity 'How can you be kind to yourself?'	<i>Yoga</i> Cosmic Yoga! – A selection of children's yoga videos all themed around toys, trucks and robots! https://www.youtube.com/watch?v=84YnYBAI8RI	https://www.purplemash.com/#tab/pm-home/topics/toys_and_games Complete one of the toy 'Paint Projects'. You can paint a teddy, ball, doll, robot, Russian doll or inflatable toy.

	Complete your 'Gymnastic shape activities' PE lesson. Don't forget to fill out your exercise log each day. This can be found on the last page of the lesson.	Remember to log in using your username and password. https://beebot.terrapinlogo.com/ From the drop down menu select 'Community mat'. Practise using the Bee-bot by directing it to the 'School', 'Fire Station' 'Pizza shop' and the 'Town Toys shop'. Then complete the worksheet 'Using Symbols in Algorithms' – Can you direct your programmable toy to its favourite toy?
	<u>RE</u> <i>Caring for the World</i> Talk through the thought cards in the 'My Special Place' work pack and then complete the attached worksheet.	<u>History</u> <i>Toys</i> Make a list of as many toys as you can think of. You could write your list on your new school whiteboard! Pick your favourite toy from home. Can you describe your toy to your parents? Are you able to explain how it works? What is it made from? Now complete the worksheet 'My favourite toy.' Alternatively you could complete this activity on Purple Mash; https://www.purplemash.com/#app/pup/describetoys Remember to log in using your username and password.
