Year One Weekly Spelling Check

Please practise these spellings ready for next Monday's spelling test. We recommend using a 'Look, Cover, Write, Check' method to learn each spelling.

Step by step guide:

1. Look at the spelling (for at least 10 seconds!) Say the word aloud.
2. Cover the spelling over. (Mummy or Daddy could do this using their hand!)
3. Practise writing the spelling 4 times on this sheet.
4. Then check you have spelt the word correctly 4 times. If you have, give yourself a congratulatory tick or smiley face ☺
5. Practise, practise, practise ready for your spelling test each Monday morning.

Many thanks,

Miss Hardman and Mrs Wildbore ☺
