

	Daily Maths
Daily practice	Count forwards and backwards to 10 Continue to practice number formation – remember the ditties that can help you. Start at a number which is not 0 or 1 and count on and back to 10 e.g. 6,7,8,9,10 – 10,9,8,7,6. Now do this using your fingers too. One more and one less than a number to 10
Monday	Numberblocks Series 2: Episode 7: 'Ten Green Bottles' https://www.bbc.co.uk/iplayer/episode/b08r41qb/numberblocks-series-2-ten-green-bottles Talk about the vocabulary associated with addition and subtraction and show the symbols + / - /= Addition +, add, plus, and, more Subtraction – take away, minus, less Equals = same as, equal to, makes Activity: collect objects to make groups of ten. Counting them as ones to make each group. Activity: Complete pages 1 and 2 Enormous Turnip Counting Challenge: Some children may be able to complete page 3 Enormous Turnip Counting
Tuesday	Draw around your hands or feet. Write numbers 1 – 10 above each finger or toe. Can you practice writing the symbols too? e.g. + / - / + Tell an adult what the different symbols mean. Activity: Complete number shape addition to 10 PowerPoint: Ten Green Bottles. We want our children to understand that each time one bottle falls the number is one less. Activity: Farm Subtraction sheet

Wednesday	Play a 'quick fire' game of one more / one less with numbers to 10. Write out all the numbers from 0 – 10. Cut them up, mix them up and then see how quickly you can make a number line. Activity: Complete one more or one less than a number shape
Thursday	Use the Part, Part, Whole model to arrange <u>up to 10 objects</u>. Say the matching number sentences e.g. $5 + 3 = 8$ $3 + 5 = 8$ $8 - 5 = 3$ $8 - 3 = 5$  Activity: Use the 'Cherry' / Part, part, whole sheets to help you. Challenge: Use the multiple 'Cherry' worksheet to help you show more part, part, whole numbers. Activity: Complete EYFS Maths Activity Mat: Number Bonds to 5
Friday	Go outside and make up a game. Can you score points? Choose any way you want to show the scores. e.g. a Tally (), written numbers, or dots for each point you score. Activity: Complete part, part, whole 10 Challenge: Complete EYFS Maths Activity Mat: Counting to 6, 7 and 8

We understand that you may not wish to complete activities on the day we have set so this is just a guide.

We would love to see your learning so please send us your activities on Tapestry.
