

	Daily Maths
Daily practice	Practice 1:1 counting e.g. touch and say the number as you count the object. Quick fire – number recognition. Randomly hold a number up. Can the child say the number instantly? Challenge: Say one more and one less than the number. Show me.... Say a number between 0 and 10. Can the child show you the number in any form e.g. writing the number, collecting that number of objects, holding up fingers.
Monday	https://www.bbc.co.uk/iplayer/episode/b08q39b4/numberblocks-series-2-just-add-one <u>Numberblocks Series 2: Episode 6: 'just add one'</u> Adding through combining two groups. Demonstrate adding one group to another. Explain that it is easier to start with largest number first. Activity: Using your whiteboard or paper can you write the number sentences that show adding one to a number to 10 e.g. $3+1 = 4$, $7+1 = 8$
Tuesday	https://www.topmarks.co.uk/learning-to-count/ladybird-spots Focus on subtraction – remind your child that when we subtract the number / amount is smaller. Maths problem 10 birds in a tree. 3 flew away. How many birds are left in the tree? Can you draw a picture to tell this story? Make number sentence to match. Activity: Complete the sheet Number Bond Sticks Subtraction within 10
Wednesday	Activity: Complete the sheet – Missing number tracks Maths problem - Challenge with an open-ended question There are 8 children and 6 sandwiches – How could each child have a sandwich? You may find that you are discussing cutting sandwiches in half or that you need to make two more sandwiches so that each child can have their own. All these ideas are positive and demonstrate your child's understanding of number.

Thursday	Work through the PowerPoint titled: Number Bonds to 10 challenge Ten Frame: Number bonds to 10 – Use the ten frame to help children identify number bonds to 10. This ten frame shows $6 + 4 = 10$  Activity: Complete the sheet – Number Bonds to 10 Ten Frames
Friday	https://www.topmarks.co.uk/learning-to-count/ladybird-spots Play some of the maths games to practice your counting and number recognition. Activity: Complete the sheet – EYFS Maths Activity Mat: Counting to 9 and 10 / Comparing Groups up to 10

We understand that you may not wish to complete activities on the day we have set so this is just a guide.

We would love to see your learning so please send us your activities on Tapestry.
