<u>History</u> Using the PowerPoint 'Early 20th Century Toys' discuss the toy timeline. Emphasise where parents and grandparents are on the timeline. We are now going to go even further back in time, to the early 20th century. Using the PowerPoint, talk through the Crayola crayon set and the history of the teddy bear. Look very carefully at the pictures of the old and new teddy bear. List all of the similarities and differences between them using the 'Old and New Teddy Bear' sheet.
