

Hello everyone.

Well, it seems like spring is starting to appear! The sun is shining (sometimes), the birds are tweeting and the spring bulbs are starting to grow.

This week we are looking at different types transport that travel on the ground. This could be cars, tractors, bicycles, monster trucks or trains. Maybe you can think of some different types of transport? Here are the activities for the week. We have split them into different areas of learning. Remember, they can be done in any order that you like.

PSED	On Sunday it is Mother's Day, a day when we say thank you for all the things that Mum, Grandma or someone special does for us. Have a think about who helps you at home. Who does the cooking and cleaning? Who plays and reads stories at home. It might be Mum or Grandma or it might be someone else. Draw a picture of the person who helps you and give them it to say thank you.
Physical Development	Here is a video to the song "This is the way we....". Watch the video and see if you can join in with the actions. https://www.youtube.com/watch?v=4XLQpRI_wQQ Can you add to the song with ways you can help at home? Can you sing this is the way we make our bed, wash the pots, sweep the floor etc? Can you think the of the action to go with it as you sing?
Literacy	This week in nursery we are looking at the book, Peace at Last by Jill Murphy. Here is a link to the book. https://www.youtube.com/watch?v=9U9y35kWBvM Now that you have watched it, can you play "I hear with my little ear"? Listen to what sounds you can hear in the garden or inside. Say, "I hear with my little ear something that sounds like..." and try and copy the noise with your voice. You might hear a type of transport or you might hear a dripping tap like Daddy Bear.

Maths	This week we are looking at 2d shapes again. Can you make a fire engine using the shapes circle, square and rectangle? Which shapes did you use for the different parts of the fire engine?
Understanding the world	Here is Auntie Mabel and Pippin to tell us all about buses. https://www.youtube.com/watch?v=KnWAJJUGo6w Have you been on a bus? Maybe you could draw a bus using 2d shapes? I like to sit on the top deck at the front.
Expressive Art and Design	Because it is starting to look like spring can you draw or paint a picture of some spring flowers? These might be yellow daffodils or purple crocuses or others. Have a look in the garden or see if Mum or Grandma get any flowers for Mother's Day. Don't forget to send your photos to us on tapestry. We love to see them!

We hope you all stay safe and well and we look forward to seeing you back in nursery very soon!

Mrs Pocklington, Mrs Nash, Mrs Easter, Mrs Green and Mrs Barnes
