

Home Learning: Y2 Spring Term 2

Week commencing: 15th March 2021

Now that school has re-opened these activities are designed for children who are learning at home due to self-isolation. Teachers will contact you directly through Class Dojo regarding the English, phonics and maths home learning for your child.

In school, this week we will be continuing our 'visit' to Scotland and Wednesdays will still be a dedicated topic day. We appreciate that you will be trying to balance your own home-working alongside home-schooling, therefore, we suggest that your child completes this week's maths, English and phonics and also enjoys choosing topic activities from this page at times to suit you. Paper copies of activities are available from school upon request.

Please remember to upload any work onto your child's Class Dojo account for feedback and celebration.

<u>History & Computing</u> Use a child friendly search engine such as https://www.safesearchkids.com/ or https://www.kiddle.co/ to find out about some of these Scottish inventors and why they are famous. • James Clerk Maxwell • Williamina Fleming • Alexander Graham Bell • John Logie Baird • Charles Macintosh • Alan MacMasters • James Watt Use what you have learned to create a fact file about one of them using the template on the Y2 Home Learning page.	<u>RE</u> Watch the <i>Riddle of Palm Sunday</i> at https://www.bbc.co.uk/bitesize/clips/zy2hyrd to learn about the start of Easter. Read the Palm Sunday story on the Y2 Home Learning page then draw a picture of the first Palm Sunday. Remember to include Jesus riding on a donkey, people waving palm branches and Jesus' special friends called disciples. <u>Music</u> Learn to sing the first verse and the chorus of the traditional Scottish song <i>Loch Lomond</i> at https://www.youtube.com/watch?v=9zKATUIjOrc	<u>PSHE</u> Talk about when and why you say 'thank you'. Think about how it makes you feel when someone says 'thank you' to you. Talk about the things and people you are grateful for. Think about how you can be grateful / thankful to other people. Complete the <i>Being Thankful</i> activity on the Y2 Home Learning page. Remember: <i>Thankful people are happy people!</i>
<u>Design and Technology</u> Get creative by designing and weaving your own tartan using the templates and instructions on the Y2 Home Learning page. You can create a traditional tartan by printing the coloured strips or choose your own colours.	<u>Red Nose Day – Friday 19th March</u> Brighten up your day by wearing something red or dressing up! Share a smile and your favourite joke on the special Red Nose Day poster on the Y2 Home Learning page and display it in a window. Have fun holding a Laugh-Out-Loud-A-Thon with your family by telling as many jokes as you can in an hour or by hosting a family talent show.	<u>PE</u> Remember to enjoy daily exercise in your garden or home. You could make up your own exercise routine or try a kids' workout with Joe the Body Coach https://www.youtube.com/playlist?list=PLyCLOPd4VxBvPHOpzoEk5onAEbq40g2-k Have fun with your family preparing for and planning your very own Highland Games. Find out more at http://static.visitscotland.com/pdf/homemade-highland-games.pdf
