

Here are some other activities that you could complete over the next three weeks:

Use the links on the school website to access the relevant activity sheets or collect a paper pack from school.

Understanding the World

Spring

Continue to observe the signs of Spring. Take a look in your garden or go for a walk (if possible) and what do you notice? How has the garden changed? Look at the shape of the leaves on the trees. Are they all the same shape? If not, how are they different?

Activity: Take a photograph or draw a picture to show what you have found.
