

Hello everyone.

Welcome back to school. We hope you had a lovely Easter!

This week we are looking at growing flowers and plants and the lifecycle of butterflies. Here are the activities for the week. We have split them into different areas of learning. Remember, they can be done in any order that you like.

PSED	This week we want you to think about what makes you happy. Talk to your grown up about the people and things that make you smile and laugh. Maybe you could draw a picture of the things that make you happy? 
Physical Development	Can you show your grown up how you put your coat on in nursery? Can you put your clothes on yourself? You might want to sing this song to yourself as you do it. https://www.youtube.com/watch?v=4XLQpRI_wOQ
Literacy	This week we are looking at The Very Hungry Caterpillar. Here is the video for you to watch: https://www.youtube.com/watch?v=75NQK-Sm1YY Here is a song about a tiny caterpillar on a leaf. Can you sing the song and join in with the actions? https://www.youtube.com/watch?v=caBB1ornMXO

Maths	On you hand you have five fingers. In nursery we say “Down and round with a flag on high, that’s the way we make a five” Can you use your five fingers to sing along with this number song about 5 fat peas? https://www.youtube.com/watch?v=r6J1IJL_GGM
Understanding the World	This week we are planting sunflower seeds. Have you got some seeds at home you could plant? You will need a pot, some soil and don’t forget to give it a little drink.
Expressive Art and Design	This week we would like you to draw or paint a sunflower like Vincent Van Gogh.

We hope you all stay safe and well and we look forward to seeing you back in nursery very soon!

Mrs Pocklington, Mrs Nash, Mrs Easter, Mrs Green and Mrs Barnes
