

Hello everyone.

This week we are looking at growing flowers and plants and the lifecycle of butterflies. Here are the activities for the week. We have split them into different areas of learning. Remember, they can be done in any order that you like.

PSED	This week we are continuing to learn about our Golden Rules in school. Last week our golden rule was <i>We are Gentle</i> and this week it is <i>We Listen</i>. Can you play Simon Says with your grown up? You need to listen very carefully because you only do the action when Simon Says. If he doesn't say it, you don't do it. Here is a little video on YouTube that you can play along with: https://www.youtube.com/watch?v=OkO8DaPlyXo
Physical Development	Hopefully, the sun is shining this week. Can you build an obstacle course in the garden? Can you find something to crawl under and something to climb over? Do you have a slide or a tunnel that you can use? You might want to find some balls and throw them into a bucket. 
Literacy	Here are our rhymes that we are learning this half term. Can you remember them? Mary Mary https://www.youtube.com/watch?v=61vDyFc7bsl 5 Little Peas https://www.youtube.com/watch?v=r6J1IJL_GGM

Maths	This half term we are looking at growing and minibeasts. We have seen some ladybirds in our outdoor area. Can you use this game to count the spots on the ladybird? https://www.topmarks.co.uk/learning-to-count/ladybird-spots
Understanding the World	Auntie Mabel and Pippin are going to teach us all about butterflies https://www.youtube.com/watch?v=7l6nnv9ijBQ
Expressive Art and Design	Can you draw your favourite minibeast? You might want to draw a butterfly or a ladybird or even a caterpillar. Which colours will you choose? 

We hope you stay safe and well and we look forward to seeing you back in nursery very soon!

Mrs Pocklington, Mrs Nash, Mrs Easter, Mrs Green and Mrs Barnes
