

Hello everyone.

We hope you all enjoyed the sunshine in half term! Here are the activities for the week. We have split them into different areas of learning. Remember, they can be done in any order that you like.

PSED	With someone in your family play the game 'What can you see'. The first person to guess correctly is the winner. Act out something that you might do in summer time i.e. licking ice cream, swimming in the pool or maybe even putting sun cream on. See if your grown up can guess what it is you are acting out. A member of your family might want to act something out for you to guess.
Physical Development	Can you wake those muscles up and join in with the action songs from Tumble Tots? https://www.youtube.com/watch?v=l8Tfbn2c_Eg&list=PLVFgqG4syhY9Waf18aj02fgW-LfypDTk9
Literacy	This week we are looking at We're going on a Bear Hunt. If you have it at home you can read it with your grown up. If not, here is a video for you to watch: https://www.youtube.com/watch?v=RdHa5Cuh55s
Maths	Practise counting to 10/20 with these songs below. Move in time to the music counting as you go along. https://www.youtube.com/watch?v=7D4K9oi7oBM Have a go at counting objects accurately. Here are some games for you to choose from throughout the week to practise your counting skills. https://www.topmarks.co.uk/learning-to-count/teddy-numbers
Understanding the World	Mary, Mary quite contrary how does your garden grow? Can you remember the nursery rhyme that we learned last half term? How is your garden growing? Can you water it and look after it? Which are the weeds? Maybe your grown up can tell you some of the names of the flowers and vegetables. How are your sunflowers and beans growing?

Expressive
Art and
Design

Could you build a 'cosy corner' for some minibeasts in your garden or when you are out and about? You could use stones, bark, logs, grass, sticks, soil or anything else you can find!

We hope you stay safe and well and we look forward to seeing you back in nursery very soon!
