

Hello everyone.

In nursery we are learning all about the creatures under the sea. Here are the activities for the week. We have split them into different areas of learning. Remember, they can be done in any order that you like.

PSED	Here is a song that we all know. Have a listen and join in. https://www.youtube.com/watch?v=71hqRT9U0wg Can you talk to your grown up about what makes you happy?
Physical Development	This week in nursery we are learning about the creatures that live under the sea. Here is Andy to get our bodies moving and to take us on an under the sea adventure. https://www.bbc.co.uk/iplayer/episode/p06tmn51/andys-wild-workouts-series-1-1-under-the-sea
Communication, Language and Literacy	Have you got a favourite animal or creature that lives under the sea? Could you find out more about that creature? Have a look in a book or ask a grown up to look on the internet. Maybe you could go to the library?
Maths	Here is Mr Tumble with a favourite rhyme to help us count. https://www.youtube.com/watch?v=thTysPVvSSQ Can you sing and join in with the actions?
Understanding the World	Here is Andy again to teach us all about the humpback whale. https://www.bbc.co.uk/iplayer/episode/m00039zk/andys-safari-adventures-series-1-31-andy-and-the-humpback-whale?page=1
Expressive Art and Design	Can you draw your favourite sea creature? It could be a fish, a shark or maybe even a mermaid. What will you choose??

We hope you stay safe and well and we look forward to seeing you back in nursery very soon!

Mrs Pocklington, Mrs Nash, Mrs Easter, Mrs Green and Mrs Barnes
