

Ahoy there me hearties!

Welcome to a week of pirate themed activities.

The tasks have been split into different areas of learning, but remember, they can be done in any order that you like.

PSED	Many of the children in Nursery will be moving on to a new class in September. Have a chat with your grown up about your favourite memories of being in Nursery. What you are looking forward to doing in your new class?
Physical Development	Practise your scissor skills by making some pirate coins. Draw around some 2p coins on card, cut them out and decorate. Let's do some yoga now. Jaime takes us on an adventure with Popcorn and the Pirates: https://www.youtube.com/watch?v=T_0P5grVoyg
Communication, Language and Literacy	We're reading Mrs Pirate by Nick Sharratt this week. You can listen to the story here: https://www.youtube.com/watch?v=De7WkgzOVEI Listen to the story again and this time see if you can spot some rhyming words.
Maths	We're learning how to write some numbers this week. If it's a sunny day, take some water and a brush outside and write some numbers on the ground. Here are the ditties we use at MWIS to help you: https://marketweightoninfantschool.co.uk/documents/%5B589673%5D_551263_Number_Formation_Rhyme_Cards.pdf
Understanding the World	Draw a map of your very own treasure island. What will be on your island? You could draw a river, some trees or a crocodile invested swamp! Can you add a path to lead us to the treasure?

	You can download a template here https://www.teachingideas.co.uk/design-a-treasure-map
Expressive Art and Design	Join in with a pirate song! https://www.bbc.co.uk/teach/school-radio/primary-school-songs-when-i-was-one-i-sucked-my-thumb/zvh847h

We hope you stay safe and well and we look forward to seeing you back in nursery very soon!

Mrs Pocklington, Mrs Nash, Mrs Easter, Mrs Green and Mrs Barnes
