

Home Learning: Y1 Autumn Term 1

Weeks commencing: 18th October and 1st November 2021

These activities are designed for children who are learning at home due to self-isolation. The maths and phonics overviews will be on the Home learning tab as separate subjects.

In school, this fortnight we will be continuing our topic about autumn.

We appreciate that you will be trying to balance your own home-working alongside home-schooling, therefore, we suggest that your child completes this week's maths and phonics and also enjoys choosing topic activities from this page at times to suit you. Please remember to upload any work onto your child's Tapestry account for feedback and celebration.

Science	• Watch the video: https://www.youtube.com/watch?v=5I7u5FMQxHA - labelling parts of a tree. Choose a tree in your garden. Can you write some large labels; 'crown', 'branch', 'leaf', 'roots', 'trunk'. Using the large labels can you identify each part of the tree? Can you tell your grown ups the role of each different part? • Play a dressing up game! Ask a grown up to time you for 2 minutes. Using the clothes in your wardrobe and drawers can you dress for each season; Autumn, Winter, Spring and Summer? Did you manage to beat the timer, and most importantly, dress correctly? • Complete the 'Our Autumn Nature Walk' writing template. What can you see, feel, smell, hear at autumn? • Write some captions/sentences about squirrels, focusing particularly on their habitat and diet. Use our squirrel writing template.
Computing	• 'Be Bright Be Seen' (week commencing 18th Oct): https://www.think.gov.uk/resource/be-bright-be-seen-game/ • Week commencing 1st November; https://www.purplemash.com/#app/pap/animals/Squirrel Can you decorate a squirrel? Adults – please ask your child to recall key facts that they know about squirrels, with a particular focus on their habitat and diet. Can they/you write these facts onto the bottom of their picture? • Create your own Purple Mash avatar; you can do this by clicking on your child's avatar on their homepage on Purple Mash and clicking 'edit avatar'. Please use your username and password to log-in to Purple Mash.

Art	• Share the Andy Goldsworthy PowerPoint, he is our key artist this half term. Can you create a piece of Andy Goldsworthy inspired land-art in your garden? • Using an iPad, mobile phone or camera can you take photographs of any tree canopies in your garden. How much of the sky is covered by trees? Try and take the photograph by laying down and pointing the camera to the sky! Which autumn colours can you spot? • Can you make a squirrel? Are you going to make a red or grey squirrel? You can use playdough or junk modelling to do this.
RE	• Read the two story about Jesus caring for others called 'Jesus feeds the 5000'. • Listen to the story about Jesus caring for others called 'Jesus blesses the children' - https://www.youtube.com/watch?v= KZW6g_uUu8 • 'Jesus blesses the children' – Retell the key message behind this faith story by making paper-chain children. Can the children decorate their paper chain children? Encourage children to recognise and represent different ethnicities. The children could also decorate one paper-chain person as Jesus.
Geography	• Watch the video on human and physical features - https://www.bbc.co.uk/bitesize/topics/zqj3n9q/articles/zr8q7nb • Use Google Earth to find Market Weighton. • Can you make a list of the human features in Market Weighton? • Now, can you list the physical features in Market Weighton?
