

Hello Boys and Girls

This week we are reading Goldilocks and the Three Bears which is a favourite in Class! See if you have it at home. If not, do not worry as you can watch it here.

Now here are the activities for the week. We have split them into different areas of learning. Remember, they can be done in any order that you like.

PSED	Goldilocks did a lot of things at the Bears house and some of them were not good choices. Can you think of some of things that she did? Do you think she made good choices? How do you think they bears felt? What do you think Goldilocks should say to the three bears and why? Teddy bears are incredibly special. Have a cuddle with your teddy bear and tell them how much you love them!
Physical Development	Do You know the song Teddy bear, teddy bear? We sing it in nursery. Can you be a bear and copy the actions? https://www.youtube.com/watch?v=sSLm5bwzjs
Literacy	Here is the story of Goldilocks and the Three Bears again https://www.youtube.com/watch?v=Rm3JsewQIWw Can you make a play area? Do you have three bears and a doll who could be Goldilocks? What will they need? See if you can find 3 different sized bowls and spoons.
Maths	Here are the Numberblocks to teach us all about zero https://www.bbc.co.uk/iplayer/episode/b0blsx34/numberblocks-series-3-zero Practise writing 0 using this ditty: 

Understanding the World	Goldilocks ate the porridge at the Bears house. Ask your grown up if you could try some porridge. What does it taste like? You could try it when it is cold and when it is warm. Is it different? Which do you prefer? When you touch the porridge what does it feel like? Add different flavours to the porridge. Maybe some fruit like blueberries and bananas or some syrup. Which do you like?
Expressive Art	Here is a song about Goldilocks and when she went to bear's house. Have a listen to the song https://www.youtube.com/watch?v=PFXE3zvXbjc Now, can you find some instruments at home? Maybe you have some pots and pans and some spoons? Can you play along to the song? Can you make a big noise and a quiet noise? Can you make a noise that is in the middle, not too big and not too small?

We hope you all stay safe and well and we look forward to seeing you back in nursery very soon!
