

Hello Boys and Girls

It's getting very exciting. It's nearly Christmas.

Now here are the activities for the week. We have split them into different areas of learning. Remember, they can be done in any order that you like.

PSED	Christmas time is a time to think about ways we can be kind and helpful to others. Can you help your grown ups with something? Maybe you could share a book or a toy with your brother or sister or make something for grandparents. Maybe you could phone someone to say hello and make them smile!
Physical Development	Can you show your grown up how you can put your coat on like we do in nursery? Lay your coat on the floor, stand by the hood, put your arms in the sleeves and flip it over your head. Tad-dah, you can put your coat on. The next step is to pull up your zip. Ask your grown up to start it first.
Literacy	Can you make a Christmas card? Draw a lovely Christmas picture on the front. On the inside you could have a go at writing your name. You can use 2d shapes to make a Christmas tree or a snowman.  
Maths	Here is a game in nursery that we play that will help you count. See if you can put the correct number of buttons on the gingerbread man https://www.topmarks.co.uk/learning-to-count/gingerbread-man-game/xmas
Understanding the World	The Three Wise Men followed a star to find the stable where the baby Jesus lay. Have a look at the stars with a grown up. Can you find the brightest star? What else can you see?
Expressive Art	It's time for a kitchen Christmas disco. Ask your grown up to put some Christmas music on and have a dance in the kitchen. Maybe you have some instruments you could play too?

We hope you all stay safe and well and we look forward to seeing you back in nursery very soon!

Mrs Pocklington, Mrs Nash, Mrs Easter, Mrs Green and Mrs Barnes
