

Maths Home Learning Y1 – 10th January 2022

Remember you can access your child's NumBots account from home. Please aim to do 5 to 10 minutes each day. Please contact the school if you have any trouble with your child's login details.

Day 1 –

Starter –

Practise counting forwards from 0 to 50.

Use the 100-grid link for support if necessary.

<https://www.topmarks.co.uk/learning-to-count/paint-the-squares>

Main Activity –

Number representation

Choose a number card and then find items around the home to show how you could represent the chosen number (e.g. 12 crayons). Choose another card and repeat the activity.

Day 2 –

Starter –

Practise counting backwards from 50 to 0

Main Activity –

Complete the 'Maths Number Sequencing' sheet. Then complete the 'Maths Challenge 1' worksheet.

Challenge – write some number sequencing problems for someone at home to solve.

Day 3 –

Starter –

Practise counting forwards to 50 from any given number, e.g. start from the number 11.

Main Activity –

Choose a number card and turn it over. Write that number on a piece of paper. Now write 2 numbers that are lower than the card you have turned over. Then write 2 numbers that are higher than the number you turned over. (Repeat with other number cards).

Example: (card in middle).

8 6 11 20 14

Day 4 –

Starter –

Using a 100-grid (link below) randomly choose a number and call out the number as you splat it. How many numbers can you identify correctly in a minute?

<https://www.topmarks.co.uk/learning-to-count/paint-the-squares>

Main activity –

Have some fun and play the snakes and ladders to 50 game.

Remember to say out loud the number that you land on each time.
