

Hello everyone.

We hope you have all had a lovely half term.

We are looking forward to the new half term as we learning all about different types of transport!

This week we are looking at transport in the air. Here are the activities for the week. We have split them into different areas of learning. Remember, they can be done in any order that you like.

PSED	Aeroplanes can take us all over the world. They have chairs and screens and kitchens and toilets. Here is a video of an aeroplane taking off and flying into the sky. https://www.youtube.com/watch?v=INPs9NLEZ7o Talk to your grown up about what it might feel like to be on an aeroplane. Will it be noisy or quiet? Do you think it is exciting or a bit scary? Some people like travelling on aeroplanes but some don't. What do you think?
Physical Development	Birds and insects also fly in the air. Can you join in with Andy and fly in the air like the hummingbird and the moth? https://www.bbc.co.uk/iplayer/episode/p06tmrxy/andys-wild-workouts-series-1-7-up-in-the-air
Literacy	This week we are looking at the book 'Whatever Next' by Jill Murphy. You might have this book at home. If not, don't worry, here is a link to the story. https://www.youtube.com/watch?v=j9k9ibMymXs

	Do you have a cardboard box or a laundry basket? Could you make your own rocket to fly into space? Don't forget your helmet and snacks. Snacks are very important!
Maths	Rockets travel into space. Can you make a rocket out of flat 2d shapes? You will need a rectangle, some triangles and some circles for the windows. You can even have some fire coming out of the bottom. Can you remember the shapes? 
Understanding the world	Why don't you keep a look out for different types of transport? You might hear an aeroplane in the sky. We often hear aeroplanes when we are playing outside at nursery. You might see tractors or buses. Talk to your grown up about the different types you see.
Expressive Art and Design	Can you draw or paint your favourite type of transport? I know some of you like monster trucks and tractors. Send photos in on Tapestry so that we can see what you like.

We hope you all stay safe and well and we look forward to seeing you back in nursery very soon!
