

Market Weighton Infant School Fundraising Committee

Charity Number 1043041

We Need You!

The Fundraising Committee is an independent charity, separate from the school.

We organise activities and events throughout the year and all money raised goes towards providing additional things for our fantastic school – such as additional activities, play equipment and educational resources. This includes making substantial contributions to school trips making them affordable to parents.

Here are some examples of things we have supported recently:

Mud kitchen, bikes & outside play equipment for the new Foundation nursery

Play area in the main playground, jointly funded with a grant from Tesco

We rely on volunteer support to arrange the activities. We have a meeting or zoom call around once per term and are full of great ideas for fundraising, but we need your help! We are always looking for people to help out in any way, big or small. You can give as much or as little time as you like. Every bit helps.

If you would like to get involved, please let us know. You could:

- Join the committee – new members needed!
- Lend a hand at an event – for a few minutes or a few hours – any help will always be welcomed – you can help to set up, bake buns, wrap lucky dip items – the list is endless.
- Provide help, support, skills or suppliers in any way you think might be useful. Maybe your company could match fund our activities or donate a raffle prize? Maybe you have graphic design skills for our posters?

Contact Caroline on 07866 519326 at any time, or email mwisfundraising@gmail.com and we will get back to you, or contact us via the school reception if you prefer.

Many thanks for your support
