

Join us in our first **CHANGE CHALLENGE**

20 February to 31 March

The rules

Each class has been given their own coin jar for collecting money. The class who raises the most money by 31st March will get to choose a special treat for their class. The money raised from the remaining classes will go to the fundraising committee to purchase IT equipment for the school. Please bring in any loose change to help make our first Change Challenge a real success. Everything will help, however small.
