

MARKET WEIGHTON INFANT SCHOOL

USE OF SPORTS PREMIUM

Vision: ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

Objective: To achieve **self-sustaining** improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Academic Year: 2016-17		Total fund allocated: £8,750

PE and Sport Premium Key Outcome Indicator	School Focus/ planned <u>Impact on pupils</u>	Actions to Achieve	Planned Funding	Actual Funding	Evidence	Actual Impact (following Review) <i>on pupils</i>	Sustainability/ Next Steps
1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	All year 2 pupils have access to scooter training.	Scooter training sessions from East Riding	£200	£180	Children travel to school safely on scooters and are more confident in scooter use.	School Travel Plan shows that scooting is a popular mode of travel to school. Scooter storage is well used.	Look further into scooter training for other year groups; to consider balance bike training.

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles 2. the profile of PE and sport being raised across the school as a tool for whole school improvement	Children take part in active maths and English lessons.	Install new outdoor equipment for use in physical maths and English lessons in Y2.	£8,000	£9,072	Lesson observations show children participate in active literacy and maths lessons.	Observations show children are highly engaged and active during maths and English lessons when using the installed outdoor equipment; increase in children achieving expected standard in maths (+4%) and reading (+18%) in 2017. 	Look at a range of physical maths and literacy ideas. Continue observations of how the equipment is used and its benefits.
4. broader experience of a range of sports and activities offered to all pupils	Children have the opportunity to participate in additional sporting activities.	Provide after-school sports clubs.	£550	£430	High take-up of clubs. Some children go on to take up the sport offered.	43 children involved in the tennis after school club. 3-4 children went on to join the local tennis club.	Tennis after school club continued in 17-18. Extend to golf after school club and other opportunities, such as dance.
