

Measuring the impact of the Sports Premium Funding (2014/2015)

The second amount of the Sports Premium funding - provided jointly by the Departments for Education, Health & Culture and Media & Sport - was allocated to schools in the Autumn Term 2014. **Our allocation for 2014-15 was £8,845.** This funding is ring-fenced and therefore can only be spent on the provision of PE and sport in schools.

Aim	Provision	Cost	Impact on teachers	Impact on pupils
To continue to up-skill staff to develop their PE teaching, including Foundation Stage staff this year.	Fit4Fun coaches employed to teach a variety of sports, including football, gym and dance alongside class teachers.	£6,637.50	"I found the warm up techniques very useful. I like the skills activities and the child-friendly concepts used." "After watching Dave teach Gymnastics I feel confident in teaching it." (Comments from NQT) "Good examples of warm up activities and outdoor games. The organisation was good too." "Fit4Fun were exciting and motivating. I've copied lots of their ideas." (Comments from experienced teachers)	"I liked learning new skills." "I played a football match against my friends!" "Fit4Fun was fun!" "I liked performing our dance on stage." "I liked dancing to the music off the radio." "My favourite part was 5 in 5." (Comments from Year 2 pupils – Summer 2015)
To improve playground behaviour through the purchasing of fitness equipment to be used at playtimes.	Zoning of playground to take place with new equipment provided in the different zones eg. walking skis, rainbow wands & spinning plates. These activities will support physical development.	£831.93	The amount of children who were on the playground board has reduced since the academic year of 2013-2014. This highlights that our School Sports Premium Funding was well spent.	The children have favourite zones and are happier and busier on the playground.
To provide a coach to deliver after-school sports club.	Fit4Fun coach and TA provided to provide after school sports club to all interested children.	£950.00	The children's P.E. skills were further enhanced in after school club.	Children were offered the chance to attend an after school club led by a professional sports coach.
To monitor and evaluate the PE provision in school.	Release time for PE leader (Miss Leetham) to observe PE lessons.	£425.00	Miss Leetham observed PE lessons and provided feedback and support where necessary.	Through monitoring we ensured that a high standard of PE teaching was been delivered to pupils.
