MWIS Fundraising Committee

Dear Parents and Carers,

A warm welcome from the Market Weighton Infant School Fundraisers to all parents and carers, existing and new! We hope you've all had a great first couple of weeks back.

This year, we are looking forward to even more exciting events, and to raising lots more money for the school. The support we received from everyone last year was incredible, raising over £12,000!

Last year we were proud to be able to help provide new interactive whiteboard screens for all classes which will help support the learning journeys of the children for years to come. We also managed to subsidise the annual trips for all classes and provide requested materials for all classes, as well as a few extra treats throughout the year!

Please follow us on Facebook to keep up to date with our activities, dates and what we are spending they money raised on. Search for **Market Weighton Infant School Fundraising Committee.**

We feel very lucky that the children's time at school can be enriched with your support!

If you would like to join the Committee, have a few hours to spare across the year and/or you have a skill that you could share **please** do get in touch, we always need your help!

You might not realise, but you are a member of our fundraising committee! The first event on our calendar is our **Annual General Meeting (AGM)** which is the ideal opportunity to hear about our committee and the fundraising ideas we have.

The meeting is open to all parents, carers and guardians of children who attend Market Weighton Infant School.
